

## **Become part of the all-important 20 per cent! Get involved in your professional association**

In the association sector, it's not uncommon to hear reference to Pareto's Principle—that 20 per cent of members do 80 per cent of the volunteer work. Regardless of the statistical validity of this statement, the fact is that Trillium Chapter is a volunteer-driven organization.

Winner of 2012 and 2013 CSAE Chapter of the year, the Trillium Chapter proudly carries the responsibility of being the “face” of CSAE in our region. But the Trillium Chapter could not be this “face” without the contribution of volunteers. Without volunteers there would be no educational sessions, no e-magazine, no holiday season dinner, no new member orientation—no Trillium Chapter.

Each program year, the Chapter engages the participation and support of more than 80 volunteers in the planning and delivery of programs and services. Like these dedicated volunteers, the benefit of sharing some of your time with Trillium Chapter can be for any number of reasons:

- Enhance your professional and business skills
- Develop your business contacts and relationships
- Help influence the direction of the Chapter
- Raise your personal and professional profile
- Raise the profile of your association or business

Whatever the reason, you are guaranteed to get more from your CSAE membership by getting involved on any of the committees listed below.

- Communications (Website, FORUM e-newsmagazine)
- Program/Education (Professional Development Exchange Events)
- Special Events (Winter Summit, Summer Summit, AGM/Awards Recognition Dinner, Holiday Season Dinner)
- Membership (Member retention, volunteer recruitment, volunteer awards program)
- Government Relations

The time commitment for each committee varies but averages 1 meeting every 6 weeks and approximately 2 – 4 hours per month.

If you are interested in committing to working on a committee for a minimum of one year, please complete this form or contact Tracy Blyth, Trillium Chapter's Executive Director, at [tracy@csae-trillium.com](mailto:tracy@csae-trillium.com) or 647-346-2723. Please specify the committee to which you wish to join and provide a little bit of your experience relevant to the committee work.

Thank you
